

NO TICKS. NO FEE.

Cattle ticks don't belong in the Western Downs.

A cattle tick administration fee applies at Dalby Regional Saleyards for additional management and handling requirements to protect biosecurity and support the long-term sustainability of our beef industry.

- \$2,750 per consignment (incl. GST)
- Applies only where cattle ticks are confirmed
- Effective from 1 July 2026
- Administered by livestock agents and WDRC

Why it matters

Dalby Regional Saleyards sits within the tick-free zone and processes almost 300,000 cattle each year.

Cattle arriving with ticks:

- Increase biosecurity risk
- Disrupt saleyards operations
- Require additional handling, isolation, and compliance measures

What you need to do

- Ensure cattle are free from ticks before transport
- Speak with your agent if unsure

PROTECT YOUR CATTLE. PROTECT OUR REGION. CONFIRM TICK-FREE STATUS BEFORE YOU TRANSPORT.
